TEAM BUILDING

Corporate events information:

Team Building

Centre VR has a huge range of team building titles where co-operation and teamwork are a necessity to complete a mission, win a game or escape. Alternatively, you can play for fun, in an environment that encourages healthy competition.

No other medium offers such a wide variety of choice, with perfect communication solutions involving headsets, microphones and discrete channels to ensure the team must work effectively.

Only virtual reality can thrust your team into a situation that feels perilous, dangerous & scary... with no real danger whatsoever.

Why Centre VR is great for corporate events:

A highly immersive experience:

This allows team members to feel like they are in a different world altogether. This level of engagement can create a strong sense of presence, making team members feel more connected to each other through the activity.

Collaboration & Communication:

Many VR games and experiences require teamwork, communication, and collaboration to achieve objectives. These games can promote better cooperation and problem-solving among team members.

Shared Challenge:

Facing challenges and obstacles together in a virtual environment can build camaraderie among team members. It fosters a sense of shared achievement and can encourage team bonding.

Stress Relief and Fun:

Engaging in VR games can be a fun and enjoyable way to relieve stress and promote a positive atmosphere during team-building events.

Diversity of Options:

VR offers a wide variety of games and experiences, ranging from team-based challenges to competitive scenarios. This allows you to choose activities that align with your specific team-building objectives.

Inclusivity:

VR can be accessible to people of various physical abilities, making it an inclusive option for team-building events.
